EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Wei Te Chung on September 16, 2004.

The application has been amended as follows:

- Please cancel claims 2 and 9-11.
- Please amend claim 1 as follow:

1. An electrical connector for electrically connecting an electronic package with a circuit substrate, the electrical connector comprising:

a connector body fixed on the circuit substrate;

a clip pivotally mounted to the connector body; and

a load lever attached to the connector body, the load lever comprising an operational arm and an operational portion extending from and angularly relative to the operational arm, the operational portion defines a handle in one end thereof;

wherein when the connector is in a closed state, a distance between the operational portion and the circuit substrate is greater than a distance between the handle and the circuit substrate, a distance between the handle and the side of the connector body

Art Unit: 2833

which is adjacent to the operational portion is greater than a distance between the operational arm and the same side of the connector body[.];

wherein the operational portion comprises an extending portion extending from and angularly relative to the operational arm, a middle portion extending from a distal end of the extending portion, a generally U-shaped bending portion extending from a distal end of the middle portion, the handle extending from a distal end of the bending portion and being parallel to the middle portion.

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach a U-Shaped bending portion extending from a distal end of the middle portion of the operational arm.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
